We respond to each reviewer's comments in detail below.

Yours sincerely,
Author's name

1. Reviewer #1

Comment 1 : *The paper aims to define a new Hoge for Fuga. However, the author may have misunderstood the Fuga.*

Response: Thank you for the review comments. We have refined the definition of Fuga and added descriptions to improve the manuscript's readability.

Comment 2 : *This manuscript misses an important explanation.*

Response: In the revised manuscript, we have added the following sentence.

Nerver for Ever For Ever Never. (Page 7, right column, lines 7-11)

2. Reviewer #2

Comment 1 : *The file name includes a typo.*

Response: We revised the name of our example tex file.
